	On 18 February, a column of about 85 trucks fully occupied by troops with full pack passed through Jena toward Kahla. Thirty of the trucks towed small field guns. During the nights between 18 February and 5 March, heavy gun fire was heard from a southwesterly direction.  a large-scale exercise had been conducted in the Kahla - Rothenstein - Schorba - Bucha - Magdala area during that period. On 5 March, a unit which had probably participated in the exercise was loaded at the Jena freight station.	25X1
